

Coronavirus

Regarding the developing UK public health issue, it is the leagues stance to follow the recommendations and guidance of the UK government and UK public health.

The Swindon and District Air Rifle League committee are monitoring the Coronavirus situation and at this present time all fixtures and competitions are to be shot as scheduled. However, we would like you to keep yourself safe and others safe by following the guidelines available on the NHS and government websites.

We will continue to monitor the situation and follow the advice given and we will update the web page accordingly in a timely fashion.

Thank you for your continued support during this time.
